Information for Exchange Students

Our university of applied sciences, founded in 1997, counts among the biggest in the Polish Warmian and Mazurian district. Our region, called *the Land of Thousand Lakes*, was nominated to be one of the New 7 Wonders of Nature.

Presently we offer study programmes in the following fields: **Economy, Sociology, Pedagogy, National Security, Administration.**

Our offer for your students includes:

- **Courses taught in Polish or English language** (our English module presently comprises 8 courses: Polish for foreigners (A1), Business English (B2), Intercultural communication, International Financial Reporting, Pedagogy, Basic Concepts in Sociology, Health education, Forensics, Information Technologies, the Generations of two Political and Economic Systems - Problems of Social and Cultural Adaptation). List of courses taught in Polish you can find on our web page. Application deadline: Autumn term: 31st July, Spring term: 31st December.
- **3-6 months academic internships** within our university units: International Office, IT Department and also in language teaching assistance (English, German, Russian). Application deadline: whole academic year, but at least 30 days before the planning mobility period.
- The incoming students are also offered to attend the Polish language survival course, they can also learn in tandem with our students or join the buddy system (mentoring and supporting system during the time of staying in Olsztyn).
- Our international students can also participate the local social projects organised by our partner institutions of the Warmian and Mazurian district. There are many international initiatives organized by our partner institutions which our Erasmus students can join such as: volunteering supporting children, senior citizens, ecological actions and many other projects.
- We support our Erasmus students in organizing their stay in Olsztyn (accommodation, travel assistance, local transportation, language courses etc).
